

Buildnex — Cancellation Policy

Personalized Printing & Creative Gifts

Buildnex — Build. Scale. Grow.

Before production

- Customers should request cancellation as soon as possible.
- If production has not started and cancellation is operationally possible, Buildnex may approve the cancellation subject to the order terms.

After production starts

- Cancellation of personalized, customized or made-to-order products may not be possible after production has started because materials and production time may already have been committed.

Cancellation by Buildnex

- Buildnex may cancel an order if a product is unavailable, customization cannot reasonably be completed, payment cannot be verified, or another operational issue prevents fulfillment.
- If Buildnex cancels an eligible prepaid order, the customer will be informed about the applicable refund process.

General customer-policy template. Applicable laws and actual business terms should be reviewed before publication.
