

Buildnex — Refund Policy

Personalized Printing & Creative Gifts

Buildnex — Build. Scale. Grow.

General refund principles

- Because many Buildnex products may be personalized or made specifically for an individual customer, refund eligibility can depend on whether production has started and the reason for the request.
- Refunds may be considered for eligible non-personalized products in accordance with the applicable product listing and order terms.
- Personalized or made-to-order products may generally not be eligible for a change-of-mind refund after production has started, except where required by applicable law or where Buildnex approves a resolution.

Damaged, defective or incorrect orders

- If an item arrives damaged, defective or materially different from the confirmed order, contact support promptly with the order ID and supporting photos/videos.
- After verification, Buildnex may offer a replacement, correction, partial refund or other appropriate resolution depending on the situation.

Refund processing

- Approved refunds will be processed through the applicable payment method or another mutually agreed method.
- The time taken for the amount to appear in the customer's account may depend on the payment provider or bank.
